Automated Waste Collection

Making disposal effortless

Waste Guidelines

Please follow automated service guidelines (below):

Waste that does not fit inside your cart should be bagged, stickered and placed beside your container. Stickers are sold at Town Hall for \$0.75 each. If you regularly have excess waste, additional waste containers may be rented for \$2 per month or \$6 per quarter. Call 317-917-7300 to rent an extra container.

Not Acceptable for Waste:

- Dirt, sod, rocks or paving stones
- Heavy construction debris, such as shingles, brick or concrete
- Hot ashes, coals, solvents or flammable materials
- Liquids, including paint
- Hazardous wastes, such as oils, poisons, corrosives, batteries, etc.
- Heavy items, including carpet, furniture or auto parts
- Electronics and E-waste
- Lawn mowers with gasoline

Automated Service Guidelines

1. Place carts curbside by 7 a.m.
2. Face the cart toward the street (wheels away from the street).
3. Position the cart within two feet of the curb.
4. Avoid placing the cart near parked cars, mailboxes or other objects.

Containers are property of Republic Services and contain a serial number that coincides with your residence. DO NOT remove carts. If you plan to move or if your cart is damaged, call Republic Services. Personal waste containers may be used to contain debris on heavy waste day only. 95 gallon waste and recycling carts should be used on all other days.
